Do you have a heart for the pre-born and those endangered by the pro-abortion and pro-death culture?

Come pray with us.

Do you feel overwhelmed in the battle to preserve and protect innocent human life from conception until natural death?

Come pray with us.

Are you trying to discern your role in the Pro-Life movement?

Come pray with us.

Have you been going, going, going, with Pro-Life work but have not given yourself a chance to be refreshed in the Lord?

Come pray with us.

Come to the foot of the cross to **rest** in the Lord, to be **restored** in your strength, and to be **empowered** to go out to do the work that you have been given to do.

Come pray with us.
