## **WHEN FAITH AND FREEDOM WERE ON TRIAL, MARK DID NOT BACK DOWN...**

***This is a story you want to hear first-hand from  
the man who lived it.***

*In September 2022, Mark, his wife Ryan-Marie, and 7 young children became international news when the FBI invaded their home at gunpoint.*

*In what was clearly an act of political persecution, Mark was falsely charged with felony FACE violations. He faced 11 years in federal prison and \$350,000 in fines for praying outside an abortion clinic and protecting his young son from an aggressive abortion clinic volunteer.*

*Not only was Mark unanimously acquitted on all charges, but he fought back – filing a Civil Rights case against the federal government. That case is currently in appeal and could have significant ramifications for the persecution of pro-life voices and our First Amendment.*

*Please join us on Monday, June 8, 2026, at The Villa Milano for this spectacular event.*
